WHO ARE WE:

At Sport Creates Memories (SCM), our mission is to empower and uplift children living in poverty through the power of sports. We believe that every child deserves the chance to experience the joy and camaraderie that comes with being part of a team. That's why we work tirelessly to establish football clubs in disadvantaged neighborhoods, giving children the opportunity to forget their troubles and just have fun. With 52 clubs currently operating in Kenya and Ghana, SCM has already provided opportunities for 5200 children, all of which are developed through interaction and volunteer work.

By joining us in this mission, you can help change the lives of these children for the better and be a part of creating a brighter future for them.
